Subject: Internship Offer - Research & Technical Intern

Dear Vaachi,

We are thrilled to extend to you the position of Research & Technical Intern at Thyne, starting on June 1, 2026.

In your role as a Research & Technical Intern, you will collaborate closely with the Founder Associate on various research and technical projects aimed at enhancing Thyne's platform. Your contributions will be vital in influencing the product and infrastructure decisions for the company.

Internship Details

- **Position:** Research & Technical Intern
- **Duration:** 3 Months (June 1, 2026 - August 31, 2026)
- **Stipend:** To be confirmed separately
- **Working Hours:** 6 hours per day
- **Working Days:** Friday to Wednesday (Thursday is a day off)
- **Mode of Work:** Remote
- **Reporting To:** Technical Lead
- **Post-Internship Opportunity:** Upon successful completion of the internship and a satisfactory performance review, you may be considered for a full-time position with Thyne.

Responsibilities & Expectations

Throughout your internship, you will be assigned tasks and projects based on the platform's evolving requirements. Your responsibilities may include, but are not limited to: technical research, documentation, analysis, and other duties as directed by your reporting manager.

You are expected to:

- Dedicate a minimum of 6 hours each day during working days (Friday to Wednesday).
- Deliver work that is original, thoroughly researched, and meets the quality standards established by the team.
- Communicate proactively, identify obstacles early, and meet deadlines without needing follow-ups.
- Participate in check-ins and reviews as required by your reporting manager.
- Maintain proper documentation and organization for all work completed during the internship.

Confidentiality

During and after the internship, you are required to maintain strict confidentiality of any proprietary, business, technical, or strategic information you may have access to in the course of your work at Thyne. You agree not to disclose such information to any third party without prior written consent from Thyne. All work, research, and deliverables produced during your internship will remain the sole intellectual property of Thyne.

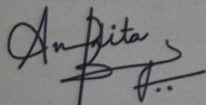

General Terms

This internship does not constitute an offer of employment. As an intern, you will not be entitled to the benefits available to full-time employees of the company, including but not limited to health benefits, paid leave, or retirement benefits. Either party may discontinue the internship with reasonable prior notice.

Please confirm your acceptance of this offer by replying to this email or signing and returning a scanned copy of this letter. We are excited to welcome you to the Thyne team and look forward to working with you.

Warm regards,

Anindita Banerjee
